Report of the President

Dr. Alexander expressed appreciation to Mr. Jerry Cruse, a consultant with Central School Supply, who has worked closely with Dr. Dewey Yeatts in decorating the Jesse Stuart Room. Mr. Cruse donated his time, pictures, lamps, plants and other expertise. He received a Bachelor's Degree from Murray State in 1965, a Master's Degree in 1970, and a Rank I in Education. Pogue Library is one of the great buildings in the state of Kentucky.

President Alexander read some quotes from Steven Ambrose's acknowledgments in his book, D Day: "Dr. Forrest Pogue began the process of collecting the oral histories of men of D Day on June 6, 1944. He was a sergeant Ph.D. in history." He then states that, "Since I first began working for General Eisenhower as one of the editors of his wartime papers, Dr. Pogue has been a model, a guide and an inspiration to me." He goes on for pages. He says, "My interest in D Day was first inspired by Dr. Pogue's writings." This book is testimony to Dr. Pogue and his worldwide reputation as an outstanding historian. Dr. Alexander donated the book for display in the library with a copy of Steven Ambrose's quotations of Dr. Pogue. It's an honor for Murray State University and the light of Dr. Pogue sheds brilliantly on this University.

Report of the Chair

Chairman Easley informed the Board members of the honor bestowed on President Alexander by the University of Indiana College of Education. They named Dr. Kern Alexander a Distinguished Alumnus of that institution. The Dean of the College said that Dr. Alexander was the foremost authority on educational finance in the United States. He joins an elite group of people who have received that honor and Murray State University reaps the benefits of his expertise.

Mr. Easley expressed appreciation to Mr. John Rall, University Counsel, in dealing with the situation of the lawsuits against the University as a result of the fire in Hester College. He also expressed appreciation to Dr. Dewey Yeatts, Associate Vice President for Facilities Management, for getting the sprinkler systems installed in the Residential Colleges by the beginning of the fall term.

President Alexander emphasized that Murray State University was the only university in the state of Kentucky that attacked the issue to include five high rises. The other schools installed sprinklers in two high rises. The plan was begun the day school was out in the spring and the sprinklers were installed by the time the students enrolled in the fall. That was a master feat of management and he joined the chairman in thanking Tom Denton, Dewey Yeatts and the personnel in Facilities Management for a job well done.

Chairman Easley commended President Alexander on his speech at the new faculty and professional staff luncheon at the beginning of the fall semester. There was a big crowd and everything appeared to be very positively received and it was a wonderful beginning of a school year.

MURRAY STATE UNIVERSITY BOARD OF REGENTS

Resolution of Appreciation

Philip M. Lanier

WHEREAS, PHILIP M. LANIER began his service as Regent of Murray State University on July 1, 1993, by appointment of Governor Brereton Jones. He served with distinction until expiration of his term on July 1, 1999; and

WHEREAS, he came to the Board when nearing retirement from a distinguished legal and business career. He possessed a lofty reputation, well-earned and fully justified, for his intellect, and as a leader of the first rank in community, state and national affairs; and

WHEREAS, immediately Phil began to put these qualities to use in the interest of Murray State University. A lifetime resident of other parts of Kentucky, and with no prior ties, Phil early fell in love with Murray State; and

WHEREAS, Phil Lanier provides a classic example of how colleagues may differ intensely in their judgement upon issues of high moment, and yet maintain their dignity and cordiality. His powers of persuasion, using an expansive vocabulary, merit special note; and

WHEREAS, for the past six years Regent Lanier has well served Murray State as champion and defender in areas of the state and in leadership circles, where often Murray is under represented. By nature and training, he relies solely upon his own thinking and judgement. He respects everyone and fears no one; and

WHEREAS, we earnestly expect and trust this University will have many opportunities ahead to benefit from the exceptional abilities and energies of this dear and loyal friend.

NOW, THEREFORE, ON THIS SEPTEMBER 17, 1999, BE IT HEREBY RESOLVED by the Murray State University Board of Regents, that this recognition of the service of Philip M. Lanier as Regent be preserved in the Minutes of this meeting as a token of our admiration and esteem.

MURRAY STATE UNIVERSITY
NOTES TO FINANCIAL REPORT
For the Period July 1, 1998 through June 30, 1999

Note 1. Summary of Significant Accounting Policies

Accounting Basis

The annual financial statements of Murray State University are prepared on an accrual basis of accounting except for depreciation on physical plant and equipment.

Tuition and fee revenues for a semester are recognized upon recording the receivable, normally before or shortly after the semester begins. Revenues of summer school academic terms are reported in the fiscal year in which the programs predominately fall. Therefore, deferred tuition revenues are recorded for terms which have not begun at year-end. State appropriations revenues are recognized upon receipt.

Expenditures are generally recognized, for interim reporting, in the period expended rather than the period incurred. Some liability accounts on the Balance Sheet are not adjusted until year-end, at which time all expenditures are accrued.

Fund Accounting

To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounts of the University are maintained in accordance with the principles of "fund accounting". This is the procedure by which resources for various activities are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified.

Current funds are used primarily to account for the transactions affecting the general operation of the University. These resources are expendable for performing the primary and support objectives of the University. Restricted gifts, grants, appropriations, and other restricted resources are accounted for in the appropriate restricted funds.

All gains and losses arising from the sale, collection or other disposition of investments and other non-cash assets are accounted for in the funds which owned such assets. Ordinary income derived from investments, receivables, and the like is accounted for in the fund owning such assets.

Note 2. Deposits and Investments

The University currently uses commercial banks and the Commonwealth of Kentucky for its depositories. Deposits with commercial banks are covered by Federal depository insurance or collateral held by the bank in the University's name. At the state, the University's accounts are pooled with other agencies of the state. These state pooled deposits are substantially covered by Federal depository insurance or by collateral held by the state in the state's name. The investments of the University not held in the state investment pool are insured or registered, or are held by the University or by an agent in the University's name. Effective for the quarter ending September 30, 1997, bond sinking fund investments, held by the trustee, will be stated at market value.

NOTES TO FINANCIAL REPORT (cont.)

Note 3. Inventories

Inventories are stated at the lower of cost, using first-in-first-out valuation, or market.

Note 4. Murray State University Foundation, Inc.

Murray State University Foundation, Inc. (the Foundation) is a Kentucky not-for-profit corporation formed to receive, invest, and expend funds for the enhancement and improvement of the University.

The Foundation prepares and issues its own financial statements.

Note 5. Prior Year Carryovers and Encumbrances

Budget Revisions for Prior Year Carryovers and Prior Year Encumbrance Carryovers are based on actual balances brought forward to date from fiscal year 1997/98.

Note 6. Tuition and Fees and Scholarships

Incentive Grants of \$1,314,096 have been included as both tuition and as scholarship expenditures. The amounts are \$689,608 for Fall 1998 and \$624,488 for Spring 1999.

Note 7. Unrestricted Expenditures

In addition to expenditures, outstanding encumbrances as of June 30, 1999 are \$320,480 for Educational and General and \$71,658 for Auxiliary Enterprises.

MURRAY STATE UNIVERSITY
NOTES TO INVESTMENT REPORT
For the Period July 1, 1998 through June 30, 1999

Note 1. BASIS OF REVENUE RECOGNITION

Accrual basis accounting is used to recognize interest earnings on the Investment Report.

Note 2. INVESTMENT POLICIES AND PROCEDURES

POLICIES

Scope: This investment policy applies to activities of the University with regard to investing the financial assets of all funds, including those maintained by:

- I. the Commonwealth of Kentucky's treasury,
- II. local depositories, and
- III. external trustees and investment managers.

Written procedures will indicate which funds are covered under each of the previously mentioned investment structures.

Goals: Consistent with state statutes and administrative regulations, the goals of the University's investment program are:

- * preservation and maintenance of the real purchasing power of the principal in the portfolios,
- * maintenance of sufficient liquidity to meet normal and foreseeable expenditures, and
- * attainment of the greatest possible dollar return to the University while observing statutory and policy constraints.

Investment Objective: The investment objective is to produce a yield that when compared to the current marketplace, would be described as competitive by investment managers.

Strategy: The University's investment strategy is designed to match the life of the assets with the date liability occurs.

Delegation of Authority:

General: The treasurer is responsible for investment decisions and activities, under the direction of the Board of Regents. The Treasurer shall develop and maintain written administrative procedures for the operation of the investment program, consistent with these policies. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person shall engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Treasurer. The Treasurer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate investment personnel.

Bond Funds: With regard to bond funds, the investment/reinvestment (on instruments authorized by the bond indenture and resolutions) by the trustee(s) shall be directed from time to time by the Treasurer.

Minimal Non-Cash Investment Transactions: In order to correct stock transfer errors or dispose of small non-cash investments, the Treasurer is authorized to sell or otherwise dispose of items less than \$10,000 without specific resolution from the Board of Regents.

Note 2. INVESTMENT POLICIES AND PROCEDURES (cont.)

Reporting: The Treasurer and the Vice President for Administrative Services shall submit quarterly investment reports to the President and Board of Regents. These reports will include investment data for investment securities held at the end of the reporting period.

PROCEDURES

Specific investment procedures are contained within the full "Investment Policies and Procedures" as approved by the Board of Regents on May 14, 1994.

Note 3. DEPOSITS AND INVESTMENTS

The University currently uses commercial banks and the Commonwealth of Kentucky for its depositories. Deposits with commercial banks are covered by Federal depository insurance or collateral held by the bank in the University's name. University funds deposited with the State Treasurer are pooled with funds from other state agencies. These state Pooled deposits are substantially covered by federal depository insurance or by the collateral held by the bank in the state's name. The investments of the University not held by the state investment pool are insured, registered, or held by the University or by an agent of the University.

Below is a summary of the investments held by the University:

Note 4. CURRENT FUNDS - LOCAL BANK ACCOUNT

Effective June 1, 1997, the University entered into a new banking contract with Peoples First of Calloway County (Union Planters Bank), interest earnings are based on 127% of the overnight federal funds rate.

Interest earnings may be expended in Current Fund.

Note 5. CONSOLIDATED EDUCATIONAL BUILDING AND REVENUE BOND FUND (CEBRB)

This fund was created, as result of the trust indenture established when the first Consolidated Educational Building Revenue Bonds were sold in the 1960's, as a depository of tuition and fees in order to provide funds to service the principal and interest debt requirements of each series of aforementioned bonds. The fund also supports the Educational and General Funds operations.

Note 5. CONSOLIDATED EDUCATIONAL BUILDING AND REVENUE BOND FUND (CEBRB)

The Commonwealth of Kentucky Office of Financial Management and Economic Analysis invests available funds of the CEBRB in the State's university investment pool.

All interest earnings are transferred to Consolidated Educational Renewal and Replacement (CERR) at the end of each quarter according to the Board's approval for renewal and replacement projects.

Note 6. AUXILIARY FUNDS - HOUSING AND DINING REVENUE FUND

This fund was created, as a result of the trust indenture established when the first Housing and Dining System Revenue Bonds were sold in the 1960's as a depository of all auxiliary income in order to provide funds to service the principal and interest debt requirement of each series of aforementioned bonds. The fund also supports the Auxiliary Fund operations.

Note 7. ENDOWMENT FUND INVESTMENTS

ENDOWED CHAIR

During 1987, the University was awarded \$500,000 by the Commonwealth of Kentucky for an Endowed Chair for Eco-Systems Studies. University discretion, within the Board Policy, is used to invest these funds. Ten percent of the total earnings are returned to the Endowment investment pool. Ninety percent of the earnings are transferred to the Restricted Fund (Endowed Chair Grant) for program expenditures.

SMITH ENDOWMENT

During the fourth quarter of fiscal year 1991-92 and the first three quarters of fiscal year 1992-93, the University received proceeds, in excess of \$750,000, from the Laura Smith estate for the Smith Endowment. The majority of the proceeds were deposited with the Murray State University Foundation for investment in the investment pool.

Note 8. CONSOLIDATED EDUCATIONAL RENEWAL AND REPLACEMENT (CERR)

As established by the Board of Regents in March 1982, CERR provides a plant fund sub-group so that funds transferred from CEBRB could be accumulated for future projects of repair and renovation.

The University invests the proceeds in the same manner as CEBRB in Note 5.

Interest earnings remain within the fund for future projects.

Note 9. UNEXPENDED PLANT FUNDS - SERIES G REVENUE BOND

This capital construction clearing account holds the proceeds from the University's Series G bond sale until such time as they are needed for specific capital construction projects.

The University issued \$14,785,000 in Series G revenue bonds dated December 1, 1987. The proceeds are to be used to pay costs of repair, renovation, construction or addition to buildings on the campus of Murray State University that are and shall be a part of the Consolidated Educational Building Project. This project was established and created by the Board of Regents on April 20, 1981.

The University invests the proceeds in the same manner as CEBRB in Note 5.

Interest earnings on Series G can be spent on the Industry and Technology Building project or any other Educational and General project the Board and State approves.

Note 10. UNEXPENDED PLANT FUNDS - SERIES H REVENUE BOND

This capital construction clearing account holds the proceeds from the University's Series H bond sale until such time as they are needed for specific capital construction projects.

The University issued \$4,625,000 in Series H revenue bonds dated March 1, 1992. The proceeds are to be used to pay costs of repair, renovation, construction of addition to buildings on the campus of Murray State University that are and shall be a part of the Consolidated Educational Building Project. This project was established and created by the Board of Regents on April 20, 1961.

The Commonwealth of Kentucky invests the proceeds in a pooled account with other state agency bond proceeds.

Interest earnings on Series H can be spent on the renovation of the Old Fine Arts Building and the Underground Steam and Condensate Lines as approved by the Board and State.

Note 11. RETIREMENT OF INDEBTEDNESS - CONSOLIDATED EDUCATIONAL SINKING FUND (CESF)

This fund was created, as a result of the first trust indenture established when the Consolidated Educational Building and Revenue bonds were sold in the 1960's, to provide a sinking fund to pay debt principal and interest expense on all related CEBRB bonds. The amount of interest earned is part of the formula for annual funding of CERR projects. (See Note 5)

Interest earnings are used to reduce the amount of semi-annual debt service transferred from University Unrestricted Educational and General Fund to this sinking fund. Bond requirements mandate a minimum reserve of \$3,543,480.

Note 12. RETIREMENT OF INDEBTEDNESS - HOUSING AND DINING SINKING FUND

This fund was created, as a result of the trust indenture established when the first Housing and Dining System Revenue Bonds were sold in the 1960's, to provide a sinking fund to pay debt principal and interest expense on related Housing and Dining Revenue Bonds.

Interest earnings are retained in the fund for future use. Bond requirements mandate a minimum reserve of \$720,154.

Note 13. HOUSING AND DINING REPAIR AND MAINTENANCE RESERVE FUND

This fund was created, as a result of the establishment of the trust indenture in Note 5, to provide a fund to pay for extraordinary repairs, not paid from the Auxiliary Fund, to the Housing and Dining System buildings.

Interest earnings are retained in the fund for future use. The use is determined by Board of Regents resolution and the indentures. Bond requirements mandate a minimum reserve of \$550,000.

Note 14. UNEXPENDED PLANT FUNDS - SERIES N HOUSING AND DINING REVENUE BOND

This capital construction clearing account holds the proceeds from the University's Series N bond sale until such time as they are needed for specific capital construction projects.

The University issued \$6,370,000 in Series N revenue bonds dated April 1, 1999. The proceeds are to be used to pay costs of certain fire safety and maintenance improvements to buildings on the campus of Murray State University that are and shall be a part of the Housing and Dining System. This system was established and created by the Board of Regents on September 1, 1965.

The Commonwealth of Kentucky invests the proceeds in a pooled account with other state agency bond proceeds.

Interest earnings on Series N can be spent on fire safety improvements and maintenance of certain housing facilities as approved by the Board and State.

POLICY NUMBER:

SUBJECT: SICK LEAVE BANK

APPLIES TO: FACULTY AND STAFF

EFFECTIVE DATE: July 1, 2000

REVISED FROM:

SICK LEAVE BANK

The purpose of the Sick Leave Bank is to provide a means of obtaining additional sick leave days to avoid loss of compensation due to a catastrophic illness or injury of the employee. This benefit is available to eligible, voluntarily participating faculty and staff who have legitimately exhausted all of their accumulated sick and vacation leave.

1. Responsibility

The Office of Human Resources shall be responsible for managing and administering the University Sick Leave Bank to include the procedural establishment, solicitation of contributions from faculty and staff, processing of applications and records management.

2. Membership

- a. All regular full-time and regular part-time Murray State University employees who have a sick leave balance of six or more days at the time of the initial contribution shall be eligible to participate in the Sick Leave Bank.
- b. Newly hired employees shall be eligible to participate in the Bank the month following the accumulation of six sick leave days.
- c. Upon joining, an eligible employee must immediately contribute 1-3 days of accumulated sick leave.
- d. Once employees elect to participate in the Sick Leave Bank, membership is established for the duration of their employment by Murray State University, unless they submit a statement to discontinue membership or decline to make the required annual contribution to the Sick Leave Bank.
- e. A participant granted leave of absence shall retain his/her status upon returning to regular duties.

3. The general operating procedures are as follows:

- a. During the annual benefits open enrollment period each fall, eligible employees shall be afforded the opportunity to enroll in the Sick Leave Bank by voluntarily contributing 1-3 days from their sick leave accumulation to the Bank. Once participation has been declared, employees shall be annually enrolled in the Bank until they withdraw via written request, or employment is terminated.
- b. The Sick Leave Bank may be opened for re-enrollment of participating members in any month following a decline to a balance of less than one day per member.
- c. Non-participating employees shall be provided an opportunity to enroll in each succeeding annual benefits open enrollment period.
- d. Participation is restricted to eligible employees who have contributed to the Bank.
- e. Sick Leave Bank usage is not available to an employee's family member.
- f. Sick Leave Bank usage is not available to employees who:
 - (1) Are receiving or have received Workers' Compensation lost time payments.
 - (2) Are currently receiving University sick or vacation leave payments.
 - (3) Are currently receiving long-term disability payments.
 - (4) Are currently receiving University retirement system payments.
 - (5) Are currently receiving Social Security disability payments.

4. Contributions

- a. Each employee who is a member shall contribute 1-3 days of his/her annual sick days to the Bank each year. A sick day contributed to the Bank will be deducted from the sick leave days available to the contributing employee.
- b. The day, once contributed to the Bank, becomes the property of the Bank and may not be reclaimed by the employee except as specified in this policy. Only employees who are active members of the Sick Leave Bank in any given year shall be eligible to draw on the Bank.

5. The criteria for Sick Leave Bank usage shall be as follows:

- a. Serious accident by the employee requiring absences from work.

- b. Serious illness of the employee.
- c. Extended hospitalization of the employee.
- d. Legitimacy of previously used employee earned sick leave may be considered.

6. Application and Withdrawal

- a. An employee may submit an application to withdraw Sick Leave Bank days only after exhausting all accumulated paid leave days. These days would include all earned vacation days and sick days. The employee could then withdraw Sick Leave Bank days only after: (1) application approval as outlined in the application and approval process, and (2) after missing fifteen (15) consecutively scheduled work days (the 15 days will run concurrently with paid leave days).
- b. Each initial grant of sick leave days shall be limited to a maximum of 20 consecutively scheduled working days for each illness or injury. After the initial grant, an extension (or extensions) of up to 80 consecutively scheduled sick leave days may be granted per illness or injury. The total sick leave granted from the Sick Leave Bank to any one member shall not exceed 100 days for any one illness, recurring illness, or accident.
- c. Employees who have already exhausted all of their accumulated sick leave in accordance with criteria for Sick Leave Bank usage will be exempt for the remainder of the current calendar year from the eligibility requirement of contributing sick days to the Bank.
- d. To be considered for Bank leave usage a written request, signed by the employee's Department Head, must be submitted to the Associate Vice President for Human Resources. Requests for Sick Leave Bank assistance must be in writing and be accompanied by a written statement from a licensed medical practitioner stating the beginning date of the condition, a description of the catastrophic illness or injury, and date the employee may be able to return to work. Monthly progress reports will be required to continue sick leave payments to the employee.

7. Sick Leave Bank Application and Approval Process

- a. The employee's application for Sick Leave Bank withdrawal shall be initially reviewed by the appropriate Human Resources personnel. The initial approval or rejection of the employee's application will be the responsibility of the Associate Vice President for Human Resources.
- b. Should the employee disagree with the initial decision made by Human Resources, the employee may submit an appeal and application to the Appeals

Committee. Any Sick Leave Bank member may enter into an appeals process by submitting a signed statement to the Appeals Committee. Written guidelines for this process shall be administered by the Appeals Committee.

- c. The Appeals Committee shall submit a recommendation based on its findings to the Vice President for Administrative Services. This Vice President, in conjunction with all other Murray State University Vice Presidents, shall review the recommendation and make a determination on the appeal. The ruling of the University Vice Presidents shall be final.

8. Appeals Committee

- a. The Sick Leave Bank Appeals Committee shall be composed of one (1) faculty member, one (1) professional staff member, and one (1) hourly staff member, appointed by Faculty Senate and Staff Congress.
- b. Appeals Committee members shall initially serve staggered terms of one (1), two (2) and three (3) years. Thereafter, each committee member shall be appointed for a three (3) year term.
- c. Committee members shall not rule on any usage application of their own or that of a relative.
- d. The Appeals Committee shall be responsible for:
 - (1) Hearing and recommending action upon any Sick Leave Bank appeal.
 - (2) Recommending revisions to this policy to the University Insurance and Benefits Committee for review.

9. Discontinuation

In the event that the Board of Regents discontinues the Bank, all employees who are members of the Bank at the time of discontinuation shall remain members without additional contributions until all days in the Bank are exhausted or the remaining pool of days is pro-rated back to the contributing employees.
